E-Newsletter for March, 2023

"A journey of a thousand miles begins with a single step."

Dear All,

We have come to the end of another session (2022-23) and as we embark on a new one where we witness the 15th year of South City International School, we cannot help but look back at our humble beginnings and thank the Almighty, the Management, the parents and all stakeholders for their immense support and cooperation.

We have a lot of things lined up and we are looking forward to a number of improvisations and changes that would be brought about in the new session. The school is beginning with the IGCSE Curriculum where our IGCSE and A Level programmes will pave the path to the dream career of the pupils. IGCSE Curriculum is globally recognized by top universities, it emphasizes critical and analytical thinking. Here, students will have the flexibility in choosing diverse subjects and it definitely caters to different ability of learners.

As the session comes to an end, I wish all my students exciting opportunities to grow, explore and succeed!

**Warm regards,
John Andrew Bagul
Founding Principal
South City International School**

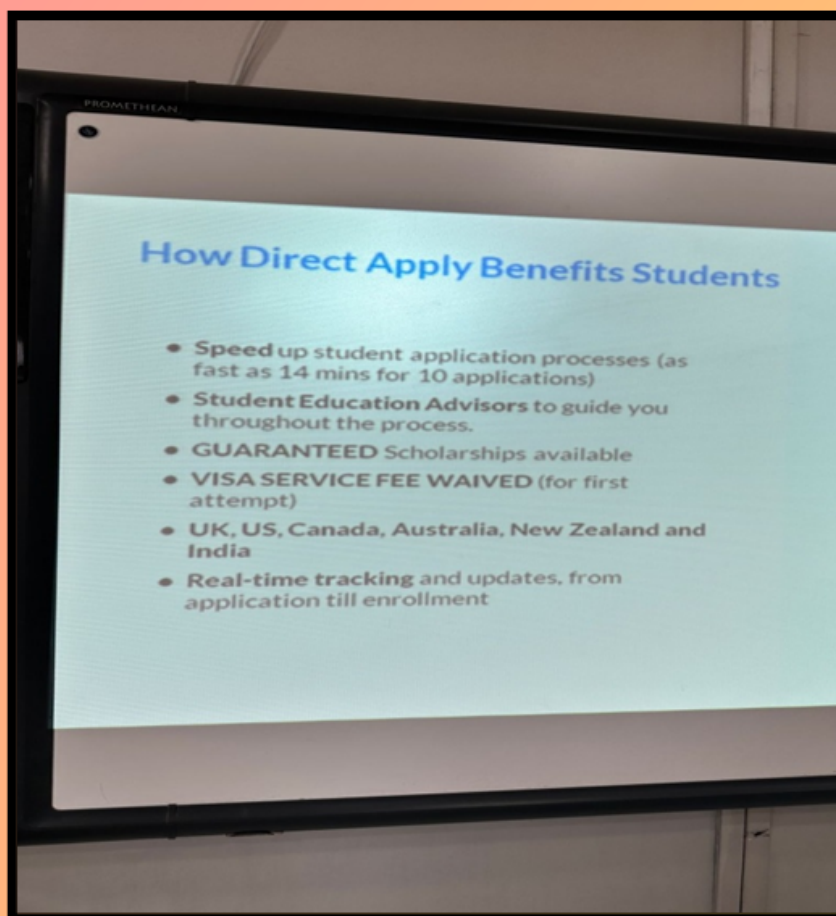

Date : 20th March

Class VI enthusiastically participated in the 'Tie and Dye' activity which was held in the Cafeteria.

Date: 21st March

The upcoming class XII students were part of an interactive session. Students were guided upon University search, profile making and creating the list of universities. They were also informed about the adaption of CIALFO platform.

Under 18 T20 International School Cricket Tournament

Date: 27th January – 1st February, 2023

Venue: Lucknow

South City International School students participated in Under 18 T20 International School Cricket Tournament hosted by City Montessori School.(Kanpur Road Branch)

"Pakhigar" -The Bird's Nest Making Competition was organised by Pathanam in collaboration with The Department of Architecture, Jadavpur University, on 25th July 2022 at South City International School.

The event sought to help students understand the meaning of sustainable development and the need to protect nature and natural resources to maintain the ecological balance.

Around 70 participants from classes 4,5,6, and 7 took part in it.

On 31st March 2023, our students were awarded at the Golfgreen Sishu Udyan:

1st prize - Devarsh Bhatia

2nd prize - Sai Spandan

3rd prize - Naavya Bothra

We congratulate them for their brilliant performances!
