

IMPORTANT NOTICE FROM PRINCIPAL

Date: 11.04.2020

Dear Parents,

Greetings from South City International School!

In the view of the global COVID-19 situation, your safety and that of your family and friends is foremost in my mind. It's an uncertain time for us all, but collectively I know we will get through this.

As per State Government request, the fee structure remains the SAME as last year till further notice. Kindly note that those who paid the new fee structure would be adjusted in the next quarter. No change or increase in fee structure at present. Kindly try to make your payments before the extended due date, 30th April, 2020.

With warm regards

John Andrew Bagul

Principal

South City International School
