

13th May, 2020

Dear SCIS Parents,

Good morning!

This is an **update on the sale of books, both text books and notebooks.**

1. Presently sale of complete set of books is in progress from the school. Those of you who wish to purchase part books, only copies or only stationery (not the entire set) can do so after 29th May, 2020. This is because of lack of man power due to the lockdown situation. Distribution list has already been circulated.
2. Details would be uploaded in due course of time.
3. Similarly parents who are unable to come due to certain restrictions or situations like being in the red zone could inform their class teachers. We would take cognitive action after gathering all the data.

Thank you so much for your patience and support during these tough times.

Warm regards,

Mohua Lawrence
Chief Administrative Officer
