

9th October, 2020

Dear Parents,

Re: CISCE VIRTUAL LEARNING SERIES FOR OCTOBER 2020.

Greetings from South City International School!

We are in receipt of a circular from CISCE on Schedule of CISCE Virtual Learning Series for October. We are sharing the same for your reference and doing the needful.

This is further to the CISCE circulars dated 10th September and 25th September 2020 regarding conduct of 'Live Lessons' through the **CISCE You Tube Channel**.

Ever since the Inaugural lesson on 9th September 2020, the CISCE has live-streamed a number of lessons at the ICSE and ISC levels, with the help of its Subject Experts.

In view of the positive response received from students, parents and teachers, the CISCE has decided to continue with these Live Lessons in the month of October 2020.

Please find attached the schedule of the CISCE VIRTUAL LEARNING SERIES for the month of October 2020. The same has also been uploaded on **CISCE's CAREERS Portal** under the **Circulars** Section. The links for the respective ICSE and ISC sessions have been provided in the Schedule. You are requested to share these links with your students and teachers. **Please note that the timings for the respective ICSE and ISC sessions in the month of October will be 11.00 a.m. to 12.00 noon.**

During the live lessons, students will be able to put up questions for the Subject Experts. These questions will be addressed immediately after the lesson is over, in a time slot allotted for the Interactive Question-Answer session. Answers to questions not addressed during the live lesson will be made available on the Notice Board of the CISCE website www.cisce.org.

Each live lesson at the ICSE/ISC level will also include **assignment/s** which will be given at the end of the lesson. These may be used for practice by the students/ for grading students by the Schools.

Videos of all live lessons will be available on the CISCE website, for later viewing.

You are requested to kindly inform your students and teachers of the above, so that they may avail all the benefits of the CISCE's initiatives.

Warm regards,

John Andrew Bagul
Principal

CISCE VIRTUAL LEARNING SERIES
