

13<sup>th</sup> March, 2021

Dear Parents,

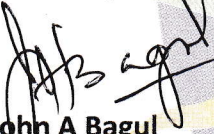

Warm greetings from South City International School!

As you are aware, Satavic Farms supplies high quality organic, safe to use, Holi colours, in our school for last few years. This year due to the pandemic and other norms, they are unable to distribute it from school. However, this is possible online. You may place your order through the given link.

<https://bikayi.com/sattvicfarms>

Wish you all a happy & safe Holi in advance.

Warm regards,

**John A Bagul**  
Principal
