Dear Parents,

Warm greetings from South City International School!

As we begin the New Academic Session 2021-22, I look forward to welcome our students back to school.

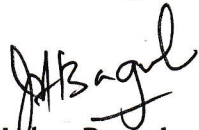

We have kept physical orientation for different classes as per the time slots allotted to you by the teachers. Please note, if you have any health issues, you may avoid coming to school for the Physical Orientation. We will try and schedule something later, depending on the circumstances.

The teachers will have a lot of written practices for the students as they need to develop analytical skills, hence use of school stationery is necessary.

Kindly Stay safe, Stay healthy, taking proper precautions.

Looking forward to your continuous support as always.

Warm regards,

John Bagul
Principal
