Dear Parents,

Greetings from South City International School!

As you are aware that, Dr. Maria Fernandes, WB Commission for Women, Government of West Bengal, as well as ICC member for sexual harassment at workplace, visited SCIS on 16th June 2021 as the Chief Guest for the inaugural ceremony of Intra MUN 2021.

Senior students had a fruitful interaction with her as she shared her experiences as a social activist and various projects she is currently working on. One of the projects shared by her was the distribution of dry ration to the 250 families of the village Bamanpukur, Minakha Block Sabhadipati affected by the destruction caused by cyclone Yaas. She has made a plea and requested South City International School to help.

Our students would like to go ahead and help the villagers. To take this project forward we will have to raise funds for supplying dry ration to these 250 affected families.

The Students' Council will manage the funds and the school will procure the ration as there is a partial lockdown in the city. Each family will be provided with a packet comprising of rice, dal, mustard oil, biscuits, puffed rice, masala, sanitiser, masks, soya bean chunks, drinking water.

We therefore, would like to appeal to you to donate **atleast Rs.300/-** towards this noble cause. A certificate of appreciation will be awarded to those who contribute an amount of Rs.800 and above. We would greatly appreciate if the transfer is done by **19th June 2021**.

The dry rations would be personally delivered by our Student Council along with myself and a team of teachers. The local police administration would help in this project.
